

Criminal History Consent Form

1 Re-runs BISD Volunteers-CHS

Texas laws require the Boerne ISD as a school district to conduct criminal history checks on individuals who request to volunteer in our schools. Specifically, Section 22.0835 of the Texas Education Code requires volunteers to submit to a criminal history check. We will conduct the check based upon your name and other personal information that you provide on this form. The Boerne ISD reserves the right to reject any application or request to become a volunteer. No volunteer has any legal right to serve or demand to serve in the District.

All information provided by you as a volunteer shall be treated as confidential information. By signing of this form you are agreeing to release, discharge, and hold harmless the BISD and its employees and representatives as well as organizations, agencies, corporations, partnerships, governmental entities, law enforcement agencies, individuals, employees or any other person or persons associated with the BISD from all actions, cause of action provided to the BISD pursuant to the document.

The results of your name based criminal history check are not allowed by law to be shared with you even though you have signed and submitted this consent form. You may contact the Texas Department of Public Safety for information and procedures about obtaining your personal criminal history. The Texas Department of Public Safety requires you to complete the additional attached form which will remain on file with the District until directed to be destroyed by DPS. Finally, the law requires that your actual criminal history be destroyed following review. Therefore more than one criminal history consent form may be required if you volunteer at more than one campus or more than one event or activity.
